Notes:

1. Workshops are delivered on-site, right at your facility. Workshop sizes generally range from 2 to 20 people and can be optimized to accommodate the size of your group.
2. The 2-day sessions contain more depth and exercises than the 1-day compressed session. We recommend 2 days but realize you may have time or budget constraints.
3. Travel is included for all locations within a 50 mile radius of San Francisco, CA. For locations outside this radius, please contact us for a detailed quote or for any other questions or requests.
